

We commissioned incredible artists from all over the Discord community to build one-of-a-kind emotes - and now we're sharing them with you! This is our gift to you, the community, for joining us for Snowsgiving.

### **We wanted to showcase our featured artist: Yotty**

Yotty works in games primarily as a 2D artist, but also does character focused illustrations. They are currently working on a small game project.

Their twitter can be found here: <https://twitter.com/yotation>
