

We commissioned incredible artists from all over the Discord community to build one-of-a-kind emotes - and now we're sharing them with you! This is our gift to you, the community, for joining us for Snowsgiving.

We wanted to showcase our featured artist: Nana

Nana offers graphic services with a wide spectrum such as illustrated backgrounds, emotes, logos, animations and overlays for various content creators and companies.

You can find more about her work and information on <https://twitter.com/nanagadesign>
