

We commissioned incredible artists from all over the Discord community to build one-of-a-kind emotes - and now we're sharing them with you! This is our gift to you, the community, for joining us for Snowsgiving.

We wanted to showcase our featured artist: Jug

Jug is an independent artist with a love of muted colours and painted textures. They do full colour illustrations as well as emotes and stickers.

You can check out their work at <https://on-ae.tumblr.com/>
